**BULLETIN OF THE  
INTERNATIONAL MATHEMATICAL UNION**

**General Assembly 1962**

The Fourth General Assembly of IMU will take place immediately before the International Congress of Mathematicians, Stockholm. Date and place of this General Assembly has been fixed as follows: August 11—13, 1962 (Saturday to Monday, with Sunday off), at Saltsjöbaden near Stockholm.

*B. Eckmann,  
Secretary of IMU.*

*End of the Bulletin of the International Mathematical Union.*

**INTERNATIONAL CONGRESS OF  
MATHEMATICIANS 1962**

The International Congress of Mathematicians 1962 will be held in Stockholm from the 12th to the 22nd of August. No special symposia will be arranged in connection with the Congress.

In addition to the short communications given by the members of the Congress there will be between 15 and 20 one-hour lectures and a number of half-hour lectures delivered by invited speakers. The one-hour lectures are intended to be surveys of fields of current interest, and the speakers will be chosen with this in view. The International Mathematical Union has established an advisory body to assist the Swedish mathematicians in the choice of invited speakers.

The Organizing Committee has made arrangements with Thos. Cook and Son to secure hotel accommodations for the period of the Congress.

More detailed information will be given later this year. Until further notice the address of the Congress is: International Congress of Mathematicians 1962, Djursholm 1, Sweden.

For the Organizing Committee:  
*O. Frostman                      A. Pleijel*
