From: Helge Holden, IMU Secretary General

Bids for the ICM 2026

Dear colleagues,

On 30 November the deadline expired to present a bid to host the ICM 2026, see [Circular Letter 15/2019](#). The IMU received one bid from the US with Philadelphia as venue for the ICM and New York City for the General Assembly. The proposed dates are 19–20 July for the General Assembly and 22–29 July, 2026, for the ICM.

The procedure now is as follows: The Executive Committee of the IMU will make a site visit, and based on this and the bid, it will make a recommendation to the General Assembly which will decide on the venue of ICM 2026 at its meeting in St Petersburg 3–4 July, 2022. All documents will be made available to the delegates in time for the General Assembly.

We appreciate all the efforts that our US colleagues have made in preparing their bid.

Regards

Helge Holden
Secretary General of the International Mathematical Union
